

WHEELCHAIR SERIES

D3252KW Walk-In Tub

The American Tubs' **D3252KW** from our Wheelchair Series is extremely roomy, luxury-sized, and packed with specialty features.

The extra-wide 34 ½", outward-swinging door is the highlight of this slide-in or transfer seat walk-in tub design. The full seat access from the exterior of the tub was specifically engineered for wheelchair users, seniors with limited mobility, paraplegics, amputees, and those individuals with special needs.

The D3252KW comes highly recommended by in-home and long-term healthcare professionals. Special attention was paid to the door and locking mechanism to ensure a worry-free, leak-proof door seal.

The D3252KW is also an excellent choice for individuals up to 350 lbs. that may have difficulty fitting through smaller tub doorways.
